

Are You Going Overseas?

Potential study participants should be:

- Healthy
- 18 or more years of age
- Travelling a minimum of 7 hours flight
- Travelling economy class
- Staying a minimum of 4 days overseas.

Participants needed for a clinical trial investigating a Elderberry (a herbal medicine) as a possible preventative for upper respiratory symptoms related to air travel.

To find out more about this trial, or to participate, please call Dr Shirley Wee (07) 5552 8131 or email elderberry-trial@griffith.edu.au
